To Whom It May Concern:

I am writing this letter in support of the funding application from the Inuit Broadcasting Corporation (IBC) to support their proposal for funds towards building a Nunavut Arts Media Centre.

The arts are thriving in Nunavut, thanks to the creativity, commitment and persistence of many individuals and organizations who use borrowed space and existing inadequate infrastructure, share equipment and resources and dedicate countless hours to build our arts industry.

The Alianait Arts Festival has worked in partnership with IBC for the past 8 years. We look forward to new kinds of collaborations with IBC that would be possible in their planned building.

I recommend and strongly support this proposal.

Yours Sincerely,
